

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

OATH  
ORIGINAL APPLICATION  
FOR  
UNITED STATES LETTERS PATENT

I, William D. Taper, being first sworn, depose and state:

THAT I am a citizen of the United States of America and reside in Southern Pines, Moore County, State of North Carolina;

THAT I have read and understand the disclosure and claims of the specification attached hereto and made a part hereof which is entitled "**LOCKING MECHANISM FOR HANDCUFFS**" and which is further identified by attorney docket number 03.08.21.1;

THAT I believe I am the original, first and sole inventor of the process, machine, manufacture or composition of matter, or improvement thereof, claimed in the said specification;

THAT I, in accordance with 37 CFR 1.56, acknowledge that I have a duty of candor and good faith in dealing with the United States Patent and Trademark Office, which includes a duty to disclose to the United States Patent and Trademark Office all information known to me to be material to the patentability of each claim pending in the said specification;

THAT I do not claim the benefit of the filing date of a prior foreign application for patent or inventor's certificate;

THAT I, pursuant to 35 USC 120, do hereby claim the benefit of the filing date of prior co-pending application SN 10/394,668 filed March 21, 2003 by William D. Taper and SN 10/091,272 filed March 5, 2002 by William D. Taper and Gary S. Frost, now USP 6,568,224 issued May 27, 2003.

Insofar as the subject matter of each of the claims of this application is not disclosed in the prior application in the manner provided by the first paragraph of 35 USC 112, I further state:

I do not know and do not believe that the invention claimed in the said specification was known or used by others in this country, or was patented or described in a printed publication in this or a foreign country, or was described in a patent granted on an application for patent by another filed in this country before the invention thereof by me;

I do not know and do not believe that the invention claimed in the said specification was patented or described in a printed publication in this or a foreign country, or was in public use or on sale in this country, more than one year prior to the filing date of this application in this country; and

I do not know and do not believe that the invention claimed in the said specification was first patented or caused to be patented, or was the subject of an inventor's certificate, by me or my legal representatives or assigns in a foreign country prior to the date of application for patent in this country on an application for patent or inventor's certificate filed more than twelve months before the filing date of this application in the United States.
